

German Year Internships Flow in MyGJU for Students

Feras Al-Hawari and Omar Al-Sawaeer

Overview

- ▶ The main objective of this presentation is to demonstrate the German Year (GY) internships flow in MyGJU [1, 2] from the student perspective
- ▶ The following topics are covered:
 - ▶ GY internships management process
 - ▶ User responsibilities
 - ▶ Adding an internship
 - ▶ Entering company information and specifying internship duration
 - ▶ Uploading internship contract, certificate, and report
 - ▶ Editing/deleting a GY internship

GY Internships Management Process

- ▶ A student can add the information for one or more GY internships, given that he/she **already had an approved GY outgoing application** (see [3,4]).
- ▶ Initially, the student can enter the company information, specify the internship duration, and upload the internship contract for validation by OIL.
- ▶ Next, the designated OIL user validates the contract document and has the option to ask the school (i.e., exchange coordinator and dean) to review and approve the contract.
- ▶ Then, the OIL user asks the student to upload (and hand in) the internship certificate for validation by OIL and approval by the school.
- ▶ Later, the OIL user asks the student to upload (and hand in) the internship report for validation by OIL and approval by the school.
- ▶ If all is fine, the OIL User specifies the internship acceptance information (e.g., whether the internship was done in Germany or not, completion status, credit hours, year, semester) and then approves the internship.

Adding a GY Internship (1)

The screenshot shows the MyGJU website interface. At the top left is the MyGJU logo. At the top right is the university name in Arabic and English. Below the header is a navigation bar with buttons for Profile, Academic Affairs, Financial Affairs, and Registration. A secondary row of buttons includes Course Sections, Schedules, Evaluations, Grades, Transcript, German Year (highlighted with a red arrow), and Other Affairs. Below this is a breadcrumb trail: Academic Affairs > German Year. The main content area is titled 'Student Information' and contains two columns of data:

Name:	[Redacted]	Student ID:	[Redacted]
