Students Pre-Registration in MyGJU

Feras Al-Hawari and Anoud Alufieshat

Overview

▸ Illustrate the students pre-registration feature that has been introduced in the MyGJU portal [1-5] to allow students to specify the courses that they would like to take next semester

▸ Introduce other features that were introduced in MyGJU like Other Academic Affairs and Student Scholarships

▸ References

Dr. Feras Al-Hawari & Eng. Anoud Alufieshat

What is Student Pre-Registration

The students pre-registration feature is only intended to allow students to specify the courses that they would like to take next semester.

Hence, a student pre-registration schedule is neither official nor will become so.

However, the schools will try their best to offer enough course sections in the coming semester to accommodate the specified students wishes.

The Pre-Registration Flow in MyGJU

1. Go to the Registration tab

2. Click the Pre Registration button

3. Click the Add button to select a wish course for next semester

4. Click the Drop button to delete a course

Adding a Course to the Pre-Registration Schedule

After clicking the Add button in the previous screen, your Study Plan Courses will be presented as shown below. Click on the Add Course link of the desired course to add it to your pre-registration schedule.
