► Download Safe Exam Browser from the following link:

[https://safeexambrowser.org/download\\_en.html](https://safeexambrowser.org/download_en.html)

The screenshot shows the Safe Exam Browser website. The browser's address bar displays the URL [https://safeexambrowser.org/download\\_en.html](https://safeexambrowser.org/download_en.html). The website header includes the logo and navigation links: News, About, Consortium, Download, Windows, macOS, iOS, and Support. Below the header, there are language options (English, Deutsch) and social media links (Subscribe to RSS Newsfeed, Follow SEB on Twitter). A left sidebar contains a menu with items: News, About, Consortium, Download – Latest Releases (highlighted), Download – Old Releases, Documentation Windows, Documentation macOS, Documentation iOS, and Support. The main content area features the heading "Current Versions for Windows, macOS and iOS" and a sub-heading "Windows". A blue button with a download icon and the text "Safe Exam Browser 2.4 for Windows" is highlighted with a blue rounded rectangle. A blue arrow points from the text "Click on this button" to this button. Below the button, there is a SHA1 hash and a link to the GitHub project site. A paragraph of text describes SEB 2.4 for Windows as the last feature update before switching to SEB 3.x. A bolded note states: "Please note our new update policy: We will only support the latest SEB version and will remove all older SEB versions after a grace period. Only with updated SEB versions you can achieve the best possible security and stability of e-assessments. Before asking any support question or reporting a bug, install the latest SEB version and try to reproduce the issue with the most recent version. We can't answer questions anymore when the SEB version isn't mentioned or when you don't confirm you tried it with the current version." Below this, it says "New in SEB 2.4:" followed by a partially visible sentence about the Config Key feature.

# After log out you can Quit the Safe Exam Browser

The image shows a browser window titled "GJU-Elearning Portal: Log in to the site". The page features the GJU-Elearning logo and a language dropdown set to "English (en)". The main content area contains a login form with fields for "Username" and "Password", a "Remember username" checkbox, and two buttons: "Log in" and "Log in as a guest". Below the form, there are instructions: "Please enter your GJU Email credentials to login" and "Cookies must be enabled in your browser". In the bottom right corner of the browser window, a power icon is highlighted with a blue square and a blue arrow pointing to it from the text "Click on power Icon on the lowest right corner". The browser's taskbar at the bottom shows the time as "1:07 AM", the language as "ENG", and several system icons including a refresh icon, a speaker icon, and the power icon.

Click on power Icon on the lowest right corner

# Enter Quit Password “Slide 18-19”

The screenshot shows the GJU-Elearning Portal login interface. At the top, the browser title is "GJU-Elearning Portal: Log in to the site". The page header includes the GJU-Elearning logo and the text "English (en)". The main content area contains a login form with fields for "Username" and "Password", and a checkbox for "Remember username". A modal dialog box titled "Close Safe Exam Browser" is overlaid on the form. The dialog contains the text "Please enter the quit password:" followed by a password input field filled with dots. Below the input field are "OK" and "Cancel" buttons. A blue arrow points from the text "Click on OK after entering the password" to the "OK" button. Below the dialog, a blue button labeled "Log in as a guest" is visible. The footer of the page contains copyright information: "© 2020, German Jordanian University, All rights reserved" and "Powered by the Information Systems and Technology Center". The system tray at the bottom right shows the time "1:10 AM", language "ENG", and icons for refresh, volume, and power.

Click on OK  
after entering  
the password

Thank You

Good luck

The text "Good luck" is rendered in a bold, white, 3D sans-serif font. It is surrounded by a large amount of colorful confetti in shades of red, green, blue, and yellow. The confetti pieces are scattered around the text, creating a festive and celebratory atmosphere. The background is white, and the overall design is clean and modern.
